Stowe Hill, Paget

\$ 2,800,000

Tucked quietly into the side of Stowe Hill in Paget, Greenway is a charming three-bedroom, three-bathroom Bermuda cottage with a separate one-bedroom apartment. Embraced by mature greenery and offering a surprising sense of seclusion, the property is just a short walk to Hamilton.

This much-loved home captures the relaxed character of old Bermuda cottages, blending historic charm with thoughtful updates over time. Bright, welcoming interiors create an easy, lived-in atmosphere that perfectly suits the peaceful garden setting. Outside, tropical gardens surround the swimming pool, while pathways meander to intimate dining and lounging areas.

The open-plan kitchen and living area feature white cabinetry and Carrara marble countertops, and the bathrooms have been tastefully renovated. The main bedroom suite includes a walk-in closet and French doors opening directly onto the garden and pool.

Additional features include a laundry and storage room, a small garage with two EV charging stations, and a cosy loft-style one-bedroom apartment with its own entrance and parking.

Available to Bermudian purchasers only.
